

Western Slope SIM/TCPi Fall Collaborative Learning Session

AMA PRA Category 1 Credit(s)™

December 15, 2017 - DoubleTree by Hilton

7:30am-8:00am	Registration & Continental Breakfast
8:00am-8:30am	Opening and Welcome Housekeeping and SIM/TCPi Remarks
8:30am-8:45am	Breakout Transition
8:45am-9:30am	Breakout A
	SIM Cohort 2
	Vision for Behavioral Health Alexandra Schmidt, PhD, LMFT and Britta Fuglevand, MSHA Rocky Mountain Health Plans Objective: Create a clear vision statement for BH integration that drives strategies for advancing within a current model of coordinated, co-located, or integrated care
	SIM Cohort 1
	Developing and Creating a Culture of Collaboration Randall Reitz, Glenda Mutinda, Mike Olson, Amy Davis St. Mary's Family Medicine and Residency Objective: Implement four strategies for creating and sustaining innovation
	TCPi It's Time! 2017 Countdown for the Quality Payment Program Reporting Year Courtney Ryan Telligen Andrew Bienstock, MHA, PCMH CCE CORHIO Objective: Please join us for an interactive hour to wrap up the 2017 Quality Payment Program reporting year. We will provide an overview of the reporting methods, deadlines and share a valuable tool to allow you to estimate your final MIPS score and therefore your projected payment adjustment for 2019. We will dedicate ample time to address attendee questions and identify next steps as we quickly approach December 31st. The final 20 minutes of this session will provide an overview of what to expect in 2018 according to the Final Rule and quality improvement steps to kick off the new year.
9:30am-9:45am	Plenary Transition
9:45am-10:30am	Joy In Practice: A Not So Impossible Aim Jeremy Make, MA John Snow, INC. Objective: Short of just providing endless pizza parties to your staff, what can be done to instill joy in the workplace, prevent burnout at every level, and achieve the Quadruple Aim? Jeremy will offer practical tools to build a foundation of trust on which joy and satisfaction can emerge. By the end of

	<p>this 45-minute session, individuals at all levels of the practice will be able to solicit and provide meaningful feedback; leadership will be able to assess staff needs and offer support that pays dividends; and everyone will be able to contribute to a culture of comfort and pride in the workplace, including patients.</p>
